ERRATA

(1) The year of death of E. John H. Corner was erroneously given as "1997" in *IMA Fungus* 4 (2): (43), 2013, as had *Index Fungorum*, and Kirk *et al.* (*Ainsworth & Bisby's Dictionary of the Fungi*, 10th edn, 2013). His son John Corner (*in litt.*) has since informed me that the actual date of death was 14 September 1996 – just five months after he was presented with the de Bary award of the IMA.

(2) In the paper "*Astraeus*: hidden dimensions" by Phosri *et al.* (*IMA Fungus* 4: 347–356, December 2013) in the diagnosis of the new species *A. morgani*, "smaller basidiome, larger spores" should be replaced by "smaller basidiome and spores". The authors apologise for any confusion this slip may have caused.
